December 2011

Learn from Parenting Experts!

This fall, we are offering Parents in a Pinch clients an opportunity to learn from parenting experts. In partnership with Jewish Family & Children's Service (www.jfcsboston.org/ParentConsultations), Parents in a Pinch has sponsored three webinars to date, covering topics that we hear most commonly from parents. The **final** webinar of the season is scheduled for December 14. The webinars begin at 12:30 EST and are FREE, but space is limited and you must pre-register.
